2022 INTERIM DIVIDEND DECLARATION

for the six months ended 30 June 2022

Consistent with the Company's commitment to shareholders returns, the Board is pleased to declare an interim dividend of 2.5 US cents per share (US\$29 million) for the six months ended 30 June 2022.

Centamin continues to maintain a robust financial strategy, with available cash and liquid assets of US\$175 million as at 30 June 2022 and no debt or hedging on the balance sheet. The Company's financial discipline provides the flexibility to allocate capital to shareholders' returns, business investment and growth, and environmental and social opportunities in pursuance of our corporate purpose and strategy.

2022 DIVIDEND INTENTION

As Centamin continues to deliver on its growth plans, the Board reiterates its intention to recommend a minimum dividend for 2022 of 5 US cents per ordinary share with the potential for increased distribution aligned with the Company's free cash flow generation after growth capital investment. Therefore, this implies a final dividend of approximately 2.5 US cents per share (US\$29 million) to be proposed with the final full year results for 2022. The final dividend will be announced with the 2022 Full Year Results in Q1 2023 and remains subject to Board recommendation and shareholder approval.
