Jim Rutherford, Chairman commented:

“This AGM marks an important juncture for the Company, with the longstanding Chairman and Director, Josef El-Raghy, stepping down from the Board, together with two other directors, Ed Haslam and Mark Arnesen. Thank you to all three individuals for their hard work and dedication building a remarkable gold company.

Josef has led Centamin for over 20 years and has been responsible for overseeing the transition of the Company from a small explorer, through to the development and construction of the Sukari Gold Mine, which has now been producing for ten years. Centamin is well positioned for the future, with a strong management team and Board who will sustain the legacy and values of its founders.

I would like to reaffirm our commitment as a Board and management team acting on your behalf as shareholders, to continued effective corporate governance and regular shareholder engagement. As the new Chairman, I look forward to helping guide the Company forward to continued success in the future.”
